

Beirut Landscape Symposium 2010 ندوة بيروت للمساحات الخضراء

Under the auspices of the International Federation of Landscape Architects (IFLA) and the European Federation for Landscape Architecture (EFLA) we are happy to announce the:

Beirut Landscape Symposium 2010:
State of Landscape Architecture in the Mediterranean Region
Thursday and Friday, October 21-22, 2010
Hosted by the American University of Beirut

The organizers of the IFLA-EFLA Beirut Landscape Symposium 2010 would like to invite interested parties to attend the symposium having the aim of bringing together landscape architecture professionals and educators in the Mediterranean region to:

- i) Discuss the state of the landscape architecture profession in the region
- ii) Exchange experiences
- iii) Encourage networking among professionals and academics

The two-day Symposium will be held at the AUB's Faculty of Agricultural and Food Sciences Research and Education Center (AREC), located less than 2 hours from Beirut in the Beqa'a Plain. Participants will be accommodated in the informal student housing at AREC. (Please view the AREC website: <http://www.aub.edu.lb/fafs/arec/Pages/index.aspx>).

Please send one-page abstracts on proposed topics for the presentations to the following email address: LEB2010@aub.edu.lb

The deadline for submitting abstracts and for confirming attendance at the event is May 31, 2010.

Thank you for your interest in the IFLA-EFLA Beirut Landscape Symposium 2010.
